

DO it: Communications Intern

Support us in spreading the DO School's mission

Start date: now

Location: [Berlin Campus, Germany](#)

Position type: [Internship, 6 months](#)

Let's DO it together.

Join the DO School in our mission to make Good Business a reality.

The world today confronts us with many challenges. But when great ideas are brought to life through entrepreneurial spirit, innovation, and implementation skills, we can make a real difference. In the world of business—and in the world at large.

The DO School is a global organization which empowers budding impact entrepreneurs and major organizations with the skills they need to pave the way to better business. Through our experiential learning programs and the DO School Method, we enable teams and individuals to create hands-on innovation solutions and to foster a culture of entrepreneurship.

What you would DO:

With your storytelling skills and strategic focus, you'll be supporting our Communications team in spreading the DO School's mission—from keeping our network up to date through our newsletters right up to targeting the right applicants for our programs through a variety of communication channels.

You'll learn what it means to get across messages that resonate with a vast range of targets—and how to implement these technically on our website or blog and social media channels. Of course, you're very much invited to come up with your own ideas and initiatives, and we will be glad to support you with feedback and guidance.

Your profile:

- Current student in a relevant field
- A keen interest in marketing/strategic communications
- A social media pro with creative ideas for how to engage our target group
- Ideally: some experience with Wordpress/online platforms
- The desire to build and harness your skills for a global organization
- An interest in the world of social entrepreneurship/good business/start-ups/NGOs
- A desire to connect with people from all kinds of cultural, professional and linguistic backgrounds
- Lots of curiosity

That's in it for you:

- The chance to continuously create and try out groundbreaking new ideas
- The opportunity to collaborate and learn from your peers as well as our team of internationally renowned experts
- An entrepreneurial, creative and international team
- An environment in which self development is encouraged
- A high level of responsibility
- A workplace that offers tangible world impact and the chance to actually get stuff done

Application:

We look forward to your application to become part of our DO School team! Our application process is always online, so please submit your application through our application portal.
